

Stay Safe to Stay Open

Before You Arrive

- Athletes should conduct a self-check screen for a fever, cough, sore throat, muscle aches, direct contact with a confirmed COVID-19 case
- Programming and skating activity would be drop-off only, no more than 15 minutes prior to the scheduled ice time
- We encourage younger athletes to be dressed prior to arrival and dropped off at the door
- No more than 1 adult per athlete in the building
- No siblings allowed

While You are Here

- Masks are required to enter the facility
- Lobby/waiting areas may have limited seating, tables or concessions
- Locker Room usage will be limited
- Social Distancing is recommended inside and outside the facility

Skater Guidelines

- Players' box use will be limited
- Bring your own water bottle and tissues
- No spitting or hand shakes
- Sanitize/Wash hands before and after ice time
- Athletes must leave the building within 15 minutes following their ice time

High touch surfaces will be disinfected frequently.
